

Yale Freshmen Tie Varsity Eleven.: New York Yanks May Change Ownership

EDITED BY WAGNER.

FRESHMEN IN TIE WITH YALE VARSITY

New Haven, Conn., Nov. 5.—Nate Wheeler's strong freshman eleven brought over from their gridiron yesterday to give the Varsity their stiffest argument for the week. The freshmen scored a touchdown and narrowly missed a drop kick and a field goal against the regulars, the final score proving a tie.

Whether the bout did the freshmen any real good is doubtful as Eddie Wheeler, the mainstay and quarterback, was injured, and the freshmen played Harvard and Princeton the next two Saturdays for the 1915 championship. Wheeler, whose shoulder was dislocated, is out of the game for the freshmen season.

The varsity played without its regular backfield men. Wilson, Alsworth, Knowles and Legere were all absent. Some changes were made in the line which seemed to strengthen it, though it is too early to tell whether the improvement will be permanent. The varsity line-up was: Bruns, left end; White, center; Din Shaldon, right guard; Whiteley and G. Sheldon, right tackle; Stillman, right end; Cornell, quarterback; Goodville, left halfback; Mason, right halfback; Gurnsey, fullback.

YOST HAS BEEN

COACH 14 YEARS

This is Fielding H. Yost's 14th season as head coach of the University of Michigan football team. Yost joined the U. of M. forces in 1901. Since he has been at the helm at Ann Arbor, the maize and blue has figured in 13 international clashes. Michigan has won eight of them, the eastern teams eight and two resulted in ties.

Under Yost Michigan won three games from Penn., two from Cornell and three from Syracuse. Michigan tied Penn. and Syracuse. Penn. won four games, Syracuse three and Cornell one.

Yost was born in Fairbury, Martin county, W. Va., April 20, 1871. Before starting on his long and brilliant career as a football coach Yost was a star player on the University of West Virginia eleven and later on the Lafayette team.

He obtained his first position as coach in 1897 at Ohio Wesleyan. The following year he coached at the University of Nebraska, and the season of 1899 found him instructing the University of Kansas squad. In 1900 he coached the Stanford University eleven, and his great work with the California boys brought him an offer from Michigan, which he accepted in 1901. He has been the Wolverine football director ever since. Yost has developed a number of stars at Michigan, among them the three wonders, Germany Schultz, Timmy Craig and Willie Heston.

WILL YANKIES BE SOLD AT MEETING IN CHICAGO?

Report That American League Mag-nates Are Planning Big Changes in Metropolis

President Frank J. Farrell of the New York Americans and Joseph Lannin, the owner of the Boston Red Sox, left last night for Chicago, where they will attend the mysterious league meeting which has been called by President E. H. Johnson. Mr. Farrell said that one of the reasons of the meeting was to make a change in the ownership of his club. He stated that he had no intention of selling the club.

Baseball men declare, however, that one of the principal reasons for the meeting is to do something in relation to the New York Club. The American League realizes the fact that last season in Philadelphia showed that the Quaker City could no longer be considered a stronghold. With the defeat of the Giants in the National League race, the American League, with a winning club, to jump in and gain the confidence and support of the New York fans.

It is a significant fact that since Frank Chance resigned as manager of the Yankees no move has been made to get players either by purchase or draft. The Yankees now have the same roster that they did last season, without an attempt being made to strengthen any position. It is believed that the American League will take measures to place a much stronger club than the Yankees of the last few seasons have been. The support which fans gave the team when it was a hopeless tailender shows that a winning team would get much greater patronage.

Although President Johnson has been in secret conferences with the Federal League owners in Chicago the attitude of both Farrell and Lannin has not changed toward the league. They have gone to Chicago with the avowed intention of opposing any terms of peace which will in any way mean a financial obligation to the American League.

It was stated some time ago that Lannin had been carrying on negotiations with the Feds on his own account. This year started because John M. Ward, a regular visitor at Mr. Lannin's hotel in Garden City where John M. Ward plays golf. Mr. Ward went to Mr. Lannin's hotel long before the Federal League started and was through his friendship for John M. Ward that the other World of the Brooklyn Feds were able to obtain a box at the world's series game at Mr. Lannin's Fenway Park in Boston.

PRINCETON BACKS DRILL IN STADIUM

Princeton, N. J., Nov. 5.—The Tigers had their last actual scrimmage before the Harvard game in the Palmer Stadium yesterday afternoon.

Side of the Princeton first string backs and the center left today for Cambridge with Coach Penfield. They will go into the Stadium on Friday morning to practice catching punts. The line-up for the Harvard game, it now seems, will be practically the same that started against Dartmouth. The return of Eddie Trenkman and McLean to the Tiger line will strengthen the forwards greatly on both offense and defense. The ends are about the only doubtful positions. Brown and Lambertson have not been showing up so well this week, and there is a chance that they will be dropped for rough play this year and the climax was reached when Patterson of the Washington & Jefferson team followed an official to the dressing room and threatened to beat him because Patterson had been ruled out of the Harvard game for slugging.

The American League is evidently tired of having its New York patronage ruined by the actions of Bill Devery, who owns the majority of stock in the New York Americans. The league magistrates gathered in Chicago today and it is said that Frank Farrell and Devery will be forced to sell their New York stock, if this is done several star players will probably be traded to New York, and an effort made to give the Yankees a high class team. Regarding the predicted change in the ownership of the New York Americans, President B. B. Johnson would only say that the subject would come up for discussion before the meeting adjourned and that a transfer of the club into new hands might take place.

Philadelphia, Nov. 6.—The U. of P. football team had its last scrimmage on Franklin Field yesterday afternoon before the departure of the squad today for Ann Arbor, where the Quakers play Michigan on Saturday. It was the hardest practice of the week, and the coaches kept the men working until dark against the scrubs, who used the Michigan formations.

The entire varsity eleven was in the lineup, and many of the substitutes also got into the scrimmages. The squad left today, and the students gave them a rousing send-off.
